

Greenwich House Independent School

Admissions Policy

Any child between 4 and 11 years of age can apply for admission to the school and will be given the opportunity to experience our premises, staff, pupils and particular methods of working.

Our Equal Opportunities Policy applies to our admissions process as it does to all matters concerning the School. Parents and carers are urged to read Greenwich House's Aims and Statement of Intent before applying for a place for their child at Greenwich House together with Greenwich House's other policies. A copy of Greenwich House's Aims and Statement of Intent and policies are available on the School's website, www.greenwichhouseschool.com or hard copies can be provided upon request

Children will be admitted to the school by mutual agreement if places and provision can facilitate an individual child's needs . Preference will be given to applications by parents or carers of children already attending our Kindergarten or who have a sibling or siblings already in attendance at the School.
